- National Association of Public Health Care Technician

PROGRAMME DESCRIPTION:

- *Physical or/and Online Classes*
- *Term Paper Write-up*
- *Project & Thesis*
- *Journal Publication*
- *Conference & Academic Seminars*

We understand many student applying into JPTS Certificate Program , do so to enable then earn a transfer in order to earn Degree Award, There are two ways to obtain Degrees in the Program Scheme:

1. Through Professional Studies and Transfer

- This is the kind of educational system where a student initially gain admission into a Professional Qualification program and later get transfer after (completion of the Professional studies) into the university for continuation through credit transfer without the student losing any year and no delay in academic process. This mode of education of transferring professional qualification as a mean for admission into degree awarding institution is legal and not new to the system of learning. It serves as a bridge for obtaining both professional qualification and Degree Certificate. Below explains the process of transfer

UPON COMPLETION OF THE JPTS CERTIFICATE PROGRAM, STUDENT WHO WISH TO FURTHER OBTAIN A DEGREE CERTIFICATE WILL APPLY AND OBTAIN A TRANSFER AND THEREFORE BE TRANSFER TO COMPLETE HIS/HER DEGREE PROGRAM WITH HER PARTNER UNIVERSITY. JPTS IS NOT A UNIVERSITY AND DO NOT OFFER DEGREE CERTIFICATE.

- for **BACHELOR DEGREE:** 6 Semester with JPTS to earn AICP USA Diploma Level 4 and 2 Semester with Partner University to earn Bachelor Degree
- for **MASTER DEGREE:** 2 Semester with JPTS to earn AICP USA Diploma Level 6/7 and a Semester with Partner University to earn Master Degree
- for **DOCTORATE DEGREE:** ICT Class, Research Methodology, Thesis And Seminar Presentation

JPTS will serve as a vehicle to help you accomplish your dream.

Through Direct Study with University

This is the method must familiar where student gain admission directly into a Degree Program into the University to study in the campus or through it online study portal. This method does not require transfer from the Professional College into the University.

PROFESSIONAL MEMBERSHIP: *Your Certification by our Institution can be used to obtained membership and licensed from various national and International Professional Bodies in the World*

American Institute of Certified Professionals (AICP- Engineering, AICP- Management, AICP- Finance, AICP- Health)Public Health Council of Nigeria, Teachers Registration Council of Nigeria (TRCN), Nigeria Institute of Management (NIM), Certified Institute of Personnel Management (CIPM), Environmental Health Officers Registration Council of Nigeria (EHORECON),Institute of Occupational Safety and Health (IOSH UK)Nigeria Association of Petroleum Explorationist (NAPE), International Facility Management Association (IFMA USA) etc

All Students shall obtain additional Globally Recognized Professional Certificate

(A Student is entitled to a minimum of 3 Professional /Technical Training Certificate depending on the course of study). Below are Professional Certificates student shall select from based on Course Enrolled into.

Faculty of Management	Faculty of Health Science & Physical Science	Faculty of Engineering & Computer	Faculty of Art	Faculty of Oil and Gas / Environmental Science
